WONDERFUL HISTORY

The Holmby Park Lawn Bowling Club, founded in 1927, carries on the rich tradition of our marvelous sport. It originated in England in the 13th Century. Legend has it that Sir Francis Drake delayed his attack on the Spanish Armada in 1588 until... “I have finished my game of bowls.”

NEW MEMBERS WELCOME

We provide free lessons and equipment while learning. All you need to do is show up at Holmby Park on any Tuesday, Thursday or Saturday at 10:30am. Just call:

Philip Fox at (310) 273.7776
Jack Edwards (310) 839.2808

and let them know of your interest. After a few free lessons, you will probably be ready to play and enjoy this great sport.

PLAYED THE WORLD OVER

Many bowlers from other clubs and even from other countries visit Holmby Park for friendly competition.

HEALTH BENEFITS

Lawn bowling involves gentle exercise for the body, plus competition and camaraderie. It is recommended by the American Heart Association. Beautiful Holmby Park provides a tranquil oasis for our sport.

During Saturdays, competitions are organized to include those who are only bowling during the weekends. Tournament winners receive handsome trophies. No entry fees.

PICTURE YOURSELF HERE

In a few short weeks, after learning the fundamentals, you will be invited to participate in a game of bowls. Teams usually consist of

three positions. The novice bowler playing “lead”. More experienced bowlers, who direct the game play, are our “Vices” and “Skips.”

Regular team bowling normally begins at around 11:30 AM and concludes before 2 PM. Teams are selected by a “blind draw” so that players don’t know their team mates until game time.

Good sportsmanship and camaraderie prevail at all times and even in close contests, opponents are treated with the utmost respect.
