*Tonight's meeting will be held in remembrance of Tom Paterson, Office Manager for HWPOA for many years, who passed away last month at his home in Valley Village. Born in Chicago, of which he was very proud, Tom lived with his mother in Valley Village for many years. He served as President of Valley Village Homeowners Association and often worked with other associations throughout the city. He was always interested in his community, was very knowledgeable about planning and zoning issues, and we were fortunate to have been able to use his expertise in Holmby Westwood. Tom retired in 2013.*
