

# Bel Air Road Closure August 12-25

## THE FUTURE OF POWER IN LA

### Work Hours

Monday – Friday (9:00am-3:30pm)

Saturday – Sunday (8:00am-7:00pm)

Weekend prep time begins at 7:00am but construction will not begin until 8:00am

On-site Construction Supervisor  
Scott Traweek (213) 792-4161  
Paul Luna (213) 792-5639

As part of the **Bel Air Power Upgrade Project**, LADWP will be trenching and excavating Bel Air Road, north of Sunset Blvd to the intersection of Saint Pierre and Bellagio Roads. This 400-foot stretch on Bel Air Road will be closed to traffic. Emergency vehicle access will be maintained.

LADWP crews will be working 7 days a week to expedite completion of this portion of the project. The street will be reopened at the end of each work day.

### DETOUR INFORMATION

**Traffic will be detoured onto Copa De Oro Road**, just west of the intersection of Sunset Blvd and Bel Air Road.

- Vehicles traveling south on Saint Pierre and Bel Air Roads may turn west onto Bellagio Road.
- Vehicles traveling east on Bellagio Road will not be allowed to turn south onto Bel Air Road.
- Traffic Control Officers will assist with traffic flow.
- Please allow extra time to navigate around construction.
