

Hi Sandy,

As I mentioned, the Y is currently providing a hygiene and sanitation program for our neighbors experiencing homelessness. The purpose of the program is to prevent the spread of infectious disease amongst our most vulnerable residents. In the weeks since the program began, response has been overwhelming. To date, our YMCA has provided over 1,000 showers to over 200 unsheltered individuals.

We have found our patrons to be lacking in basic needs, including clothing, towels, and hygiene kits. After an initial wave of donations, we have not been able to keep with demand. We would be so grateful if HWPOA would partner with the Y to provide some items for these folks. Our biggest needs are:

- Socks
- T-shirts
- Towels
- Gym shorts

Feel free to call me with any questions.

Thank you for listening! 😊
