Important blood donor guidelines

To qualify, donors must meet these FDA requirements*:

1. Present a valid photo ID at time of donation
2. Be 17 years old (no upper age limit), healthy, feel well on day of donation and weigh at least 110 pounds
3. May be eligible if 16 years old, if weight is at least 135 pounds and have a signed parental consent form
4. Not currently taking antibiotics for an infection
5. Cancer-free during the past year
6. No history of HIV or AIDS
7. No tattoos, permanent makeup or piercings in the last three months except those applied in a California-licensed facility with sterile, single-use needles
8. No dental surgery 72 hours prior to donation
9. Never used intravenous drugs not prescribed by a physician and have not received an accidental needlestick in the past three months

If you have any questions, please call 310-423-5346.

**You may be ineligible if you have taken certain medications, have traveled to high-risk malaria areas or have lived in Europe. See a full list of guidelines and information at [cedars-sinai.org/donateblood](https://www.cedars-sinai.org/donateblood)*
